
Case Study

A.

1. Can Parsley take action on Peter? If so, under which law can this issue be raised?

= Parsley can take action on Peter because of what Peter gave Parsley data or information of Parsley company to Jupiter under law which is the **Data Privacy Act**, protects individuals from unauthorized processing of personal information that is private, not publicly available; and identifiable, where the identity of the individual is apparent either through direct attribution or when put together with other available information.

2. What should Parsley prove in order to succeed in their action against Peter?

= Parsley should prove that Peter leaked or Peter gave the data or information of Parsley company to Jupiter company that made the Jupiter company have a large number of sales.

3. Discuss any possible arguments in the cited pieces of evidence.

= There is no evidence beside Peter and Parsley. Unless Peter can be invited for some questionnaire after he left the company.

B.

1. The two senior games designers left the company which is Talybont Games Ltd., Alice and Brian possibly copy the design of games that they both developed on Talybont Games Ltd and they put on a game a little twist on a game.

2. A legal action that could be taken against Alice and Brian, both, and Goldengames is copyright because Alice and Brian is a designer of a game that made a company popular can possibly take it and give it to another company to make both popular because of the copying some design in Talybont.
