ANG PAGBABALIK NI ROAM OFF

[2013 smart ultimate unblocking solution]

TUTORIAL BY RICHARDRR (FBT-UBT MODERATOR) of www.phcorner.net

Dati pag nabloblock si trams natin text lang tayo ng ROAM OFF kay three-three-three..

bigla itong hindi gumana kahit will be activated later ang reply ni trams sa atin.. ewan ko kung ano ginawa ni trams dito..

pero pwede pa natin magamit ang will be activated ni ROAM OFF using this WEBTRICK..

NOTE:

nasubukan ko pa lang ito sa sim na pag send ROAM OFF to 333 ay ganito ang reply pero di pa rin makakonek..

prepaid roaming will be deactivated in a few minutes thank you for using our service..

PROCEDURE:

1. salpak sa celfone ang sim na gusto natin iunblock..

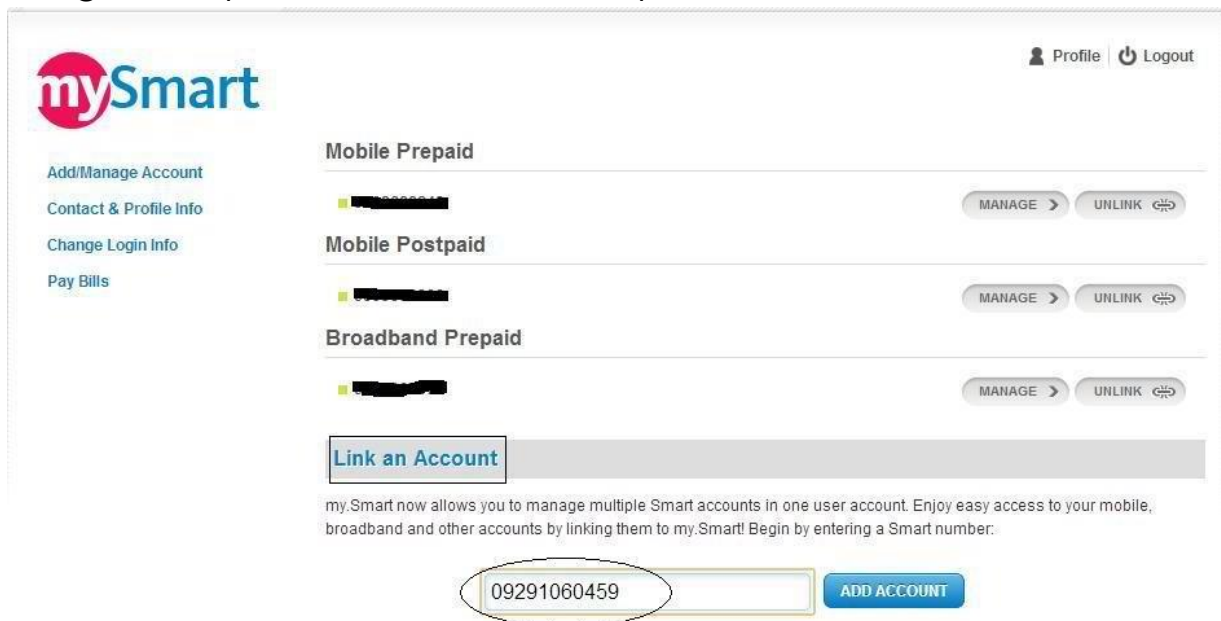

importante ito dahil magsesend si smart ng Code na kailangan mo to register your smart number..

2. Go to smart.com.ph and create an account.

The screenshot shows the SMART website's my.Smart Login page. The top navigation bar includes links for About Us, Store Locator, International, and Manage My Account. The main menu features HOME, STORE, POSTPAID, PREPAID, BROADBAND, MONEY, and HELP. The page content includes a banner for "Your secure, friendly connection to SMART" with a "New User? Register Now!" button. On the right, there is a login form with fields for Email (containing "rihard...@...com") and Password (masked with dots), a "Remember me next time" checkbox, and a "Log in" button. Links for "Forgot Password?" and "New user? Sign up here." are also present.

3. Sign-in to your acCount and link your simcard..

The screenshot shows the mySmart account management page. The top right corner has "Profile" and "Logout" links. The left sidebar contains navigation options: Add/Manage Account, Contact & Profile Info, Change Login Info, and Pay Bills. The main content area is divided into sections for "Mobile Prepaid", "Mobile Postpaid", and "Broadband Prepaid", each with a "MANAGE" and "UNLINK" button. Below these sections is a "Link an Account" button. A text block explains that my.Smart allows managing multiple accounts and provides instructions to begin by entering a Smart number. At the bottom, there is a text input field containing the number "09291060459" and an "ADD ACCOUNT" button.

4. select manage account.

The screenshot shows the SMART website's account management interface. At the top, there is a navigation bar with the SMART logo and the tagline "LIVE MORE". The main navigation menu includes links for HOME, STORE, POSTPAID, PREPAID, BROADBAND, MONEY, and HELP. A secondary navigation bar contains links for About Us, Store Locator, International, and Manage My Account. The user's account information is displayed, including the phone number 929 368 [REDACTED], Account Overview, Aftersales Request, and Help and Support. A welcome message reads "Welcome back, RICHARD [REDACTED]". A section titled "This Smart Account at a glance" provides a summary of account details:

SMART Number	929368 [REDACTED]
Subscriber Type	SMART Buddy
E-mail Address	[REDACTED]@p.com
Location	

On the left side, there is a vertical menu with buttons for INQUIRIES, SERVICES, ACCOUNT, PROMO PACKAGES, TECHNICAL SUPPORT, SMART REWARDS, and SMART MONEY. The ACCOUNT button is highlighted. Below the main content, there is a footer with links for Phones & Devices, Plans & Packages, Broadband, Services, Help & Support, and Explore.

a. Go to Services > International Roaming > Deactivate this Service

The screenshot shows the SMART website's International Roaming service page. The page title is "Service: International Roaming". The main content area contains the following text:

Activate or deactivate your International Text Roaming in an instant.

International text roaming allows you to send and receive text messages and Value Added Services (VAS) while abroad. Activate or deactivate your International Roaming feature here!

Important Reminders

- Minimum balance of Php 100.00 is required to activate this feature.
- Once you activate your International Roaming feature, your voice call services will be deactivated. However, your regular prepaid services will be restored once feature is deactivated.

Below the reminders, there is a section titled "What would you like to do?" with two radio button options:

- Activate this service
- Deactivate this service

A "Proceed" button is located at the bottom of the page.

5. Congrats at unblock na sim mo pag ganito reply sa iyo.
Otherwise, failed..

The screenshot shows a user interface for a mobile service portal. At the top, there is a navigation bar with a 'Back to my.Smart' button, a mobile phone icon, and links for 'Account Overview', 'Aftersales Request', and 'Help and Support'. On the left side, there is a vertical menu with buttons for 'INQUIRIES', 'SERVICES', 'ACCOUNT', 'PROMO PACKAGES', 'TECHNICAL SUPPORT', 'SMART REWARDS', and 'SMART MONEY'. Under the 'SERVICES' button, two options are listed: 'International Roaming' and 'MMS/GPRS/3G Activation'. The main content area displays a 'Request Submitted' message in blue text, followed by a thank-you note and the SR number. Below this, it states that the request will be processed after 25 minutes. A 'Friendly Reminders' box contains two bullet points: one about an SMS notification and another about the SR number. The interface is clean and uses a blue and white color scheme.

NOTE:
napagana ko ang trick na ito sa 2 sims ko..
